Don't Neglect the Summer Cold
We "catch cold" in warm weather
because colds are germ diseases and
our vitality is too low to resist them.
To kill those cold germs, the antiseptic
pine-tar of Dr. Bell's Pine-Tar Honey
is famously effective, besides helping
to relieve the tight chest and invigorate
the tissues. The honey and expecto-
rant ingredients heal the throat and
soothe the cough. Always have a bot-
tle of Dr. Bell's Pine-Tar-Honey in
your home, as you, too, are a drugist.

large quantities, or according to
whim.
You waste when you do not limit
second helpings, which are unneces-
sary in balanced meals.

You waste when you over eat.
You waste when you throw away
bread crumbs, lettuce leaves, vege-
table parings, radish, beet and turnip
tops and the cooking waters of vege-
tables, rice and macaroni.

You waste when you throw away
the rinds of bacon or salt pork with-
out frying out the fat.
You waste when you do not realize
that true economy means the utiliza-
tion of everything at hand, the watch-
ing of every expenditure and the
looking ahead, not to the saving of to-
day, but to the possible National sav-
ing for the whole year, through the
entire country.

As I drive from place to place I see
the country women working in the
fields. They are up at daybreak to
get the breakfast. They are working
till late at night, canning and evap-
orating fruits and vegetables. They
cannot do it all. How many cans of
fruit and vegetables have you? How
many pounds of dehydrated, or dried
products? How much have you set
aside in time and money to help them
women to conserve the food of the
Nation? How many cans to give
away?

There is just so much food in the
world's larger. We, the housewives
of America, have to feed the civilized
world. Are your school kitchens idle,
open them. Are your church kitchens
idle, start conservation classes. Is your
suffrage or anti-suffrage club awake
to the necessity, and your women's
club and your D. A. R. and your lodge
societies?

We feed the Allies, or we fight alone.
Wake up, Mrs. Uncle Sam, mobilize
and win the victory!

"THE OTHER MAN'S WIFE"

The eternal triangle, the man, the
wife and the other man, or the wife,
the husband and the other woman, this
is the basis for all stories and natural-
ly is as old as time. To treat this age
old basic principle in a new or clever
manner is a commendation devotedly to
be wished. I suffered with pain in
my back, I was unable to get on my
feet. "THE OTHER MAN'S WIFE," THE LAMBERT PRODUCE
COMPANY'S (not Inc.) play a new
treatment of this old theme is to be
seen at the Princess Thursday August
23rd.

Safety First With Cough and Cold

"Oh, just a cough," today may be-
come a gripe or pneumonia tomorrow.
Thousands die from neglected colds.
Take Dr. King's New Discovery before
your cough becomes chronic. A few
doses check the cold by killing the
germs. The healing balsams soothe
the throat, loosen the phlegm and
clear the air passages of secretions
which provoke coughing. Contains
mildly laxative ingredients which re-
move the waste that aggravates the
cold. At your druggist, 50c, \$1.00.

Sept. 29th, 1916 I had a lump on my
head which was very sore something
like a wen or tumor. I applied Dr.
Shelley's Felon Salve two or three
times daily. It gathered and broke
and healed not leaving a red or bare
place not even leaving a scar.
